RON COLOMBO

SKILLS

Web developer with 11+ year's experience, skilled in HTML, CSS, JavaScript, PHP, Drupal, Angular, Ionic, TypeScript, and especially React. I excel at creating efficient, scalable, and user-centric solutions.

OBJECTIVE

Highly skilled Web Developer with over 11 years of experience, seeking a full-time, part-time, or contract based React Developer role. Proficient in multiple frameworks and languages, with a strong track record of delivering efficient, scalable, and maintainable code. Aims to leverage extensive skills and knowledge to solve complex problems and contribute to the team's success.

EXPERIENCE

Sr Software Engineer | Oneva, Inc. | Apr 2016 - Present

- Developed and maintained web and mobile applications using Drupal, AngularJS 1.5, and Angular 9/Ionic.
- Rebuilt the company's website using React, enhancing performance and usability.
- Managed a LAMP stack on Microsoft Azure, ensuring secure, optimized performance.
- Engineered server-side PHP scripts and custom Drupal modules.
- Created responsive HTML/CSS templates from design inputs.
- Utilized GIT for version control and JIRA for agile development.

Web Developer | Decision Counsel | Mar 2013 – Dec 2015

- Created and maintained custom Drupal websites and themes.
- Developed responsive websites using the Bootstrap framework.
- Managed LAMP servers for various development and production websites.
- Translated Photoshop designs into functional HTML/CSS templates.
- Contributed to a Drupal-based education platform for high-profile clients.
